'Inspiring confident and independent learners'

6th February 2026

This Week

Our assembly focus this week was about 'Bad Secrets' and telling someone if you didn't think something was right. We also talked about being 'frightened' to tell and having the 'courage' to speak up.

On Tuesday our Year 4 children went to the Science Museum by train to investigate the science behind the digestive system and explore some of the museum galleries.

On Thursday I joined Year 2 for their adventure to St Pauls Cathedral. The children had a great time travelling by train and on the underground. They all managed to climb to the top of the cathedral with over 300 steps up and down! The children had a workshop that focussed on the Great Fire of London and I was impressed by how much the children had remembered from their learning at school. Our workshop guide also commented on how interested and how well behaved our children were – well done to all the children for representing their school so well.

Lots of sporting activities are taking place at the moment. Our netball team played Boxmoor and came away with a 3 – 3 draw. Our boys' football team lost 7 – 1 to South Hill. Today both boys' and girls' football teams are in action (weather permitting)

Coming Up

Next week is Mental Health Week and we will be focussing on our own mental health with assemblies and lessons looking at how we can do this for ourselves and others. On Tuesday it is Safer Internet Day and we will be focussing on keeping ourselves safe online.

On Wednesday we have our Valentines' Disco. Don't forget to book your child's ticket on Arbor. Your child can 'wear something red' if they want to.

On Friday we have our Too Good 2 Go hub open with lots of uniform, clothing and treats available.
